JONES ON FIRE

KITTIES ARE CUTE AND SHOULD BE SAVED

FIREFIGHTING TIPS, FIG B.

A fun little running game and time killer with achievements, badges, and trading cards, that may or may not keep your interest; with only 10 levels that ramps up the difficulty as you progress, it's definitely going to get repetitive earning points for upgrading your abilities, and be prepared for the long haul if you plan on going for achievements. I suggest buying it whenever it's on sale, and/or if you like running games.
