No tutorial, no windowed mode, and I have no clue what I'm doing or why.

SiNKR has trading cards : It took a bit of time but cards are now approved and should be dropping. I'm still tweaking and adding levels to SiNKR 2. I plan to backport some of the enhancements to SiNKR and add a small free level pack with a new mechanic to the original SiNKR that should come out in a couple of weeks.. SiNKR 2 is a MomoCon 2019 Finalist : I'm thrilled that SiNKR 2 is one of the 20 overall finalists for the MomoCon 2019 Indie Game Awards! The 20 finalists will be reviewed by a group of journalists and an indie game developer, including: Rami Ismail, founder, VlamberMike Fahey, senior reporter, KotakuChris Carter, DestructoidAustin Wood, staff writer, Games RadarJanet Garcia, associate editor, IGN. SiNKR / SiNKR 2 out now with bundle discounts for SINKR owners : Finally! SiNKR 2 is out. Thanks for your patience. I've arranged bundle discounts for owners of the original SiNKR (and a sale for prospective SiNKR owners) so that now will be the most economical time to pick up SiNKR 2. It will be a long time before sale discounts and stacking bundle discounts combine for this price.Thanks for all the support and hope you enjoy the game.. SiNKR Free Level Pack; SiNKR 2 Backports : I'm still tweaking and adding levels to SiNKR 2 but took a small break to pull back some of the enhancements and added a 7 level bonus pack to the original SiNKR. The bonus pack has a minor new mechanic I call 'Squircles' for 'square circles'. SiNKR Changes - 7 bonus levels added. You can play the bonus levels without having finished the game. - Hook travels faster when the reel is held down and hook changes direction - Minor bug fixes and updates to the contraption and line looks - Engine update - Trading Cards (added in January) SiNKR 2 is still coming soon but I can't give a firm date. Please wishlist SiNKR 2 if you are interested in playing the sequel.. SiNKR voted Fan Favorite at SIEGE : I'm so excited!
